CEDARLINE DENTAL GROUP

Self-Pay Fee Schedule

Knowledge Base Document 01 of 2 | www.cedarlinedental.example | November 16, 2026

These are Cedarline's standard self-pay fees (before insurance) as of November 1, 2026. Your actual cost depends on your exam, treatment plan, and insurance. We provide a written estimate before treatment over $300 and file insurance claims for you. Smile Club members save 20% on most treatment (10% on aligners, implants, and cosmetic care).

New patient special for patients without dental insurance: $99 for a comprehensive exam, full set of digital x-rays, oral cancer screening, and a routine cleaning (regularly $249). Valid for patients with healthy gums; if a deep cleaning is needed, the $99 covers the exam and x-rays and we provide an estimate.

Where services are offered: Children under 6 and clear aligners: Dublin. Implant surgery, wisdom teeth, bone grafts, gum surgery, IV sedation: Westerville. Same-day crowns: Dublin and Westerville. Cosmetic consultations: Short North. Dentures: Westerville and Dublin. Everything else: all offices.
